

2rolls dispenser plastic black (coreless rolls)

2rolls dispenser plastic for coreless rolls, PQB20CDuo

Empty toilet rolls can look messy in your sanitary area. You want to reduce the waste flows in a highly frequented sanitary area as much as possible. With the coreless toilet rolls, that fit perfectly in the PLASTIQLINE 2020 Coreless Toilet Roll Dispenser, your facilities department will never be confronted again with empty toilet rolls lying about. When opting for the coreless toilet roll, you opt for less waste on the one side and for more paper for your money on the other. As the inner toilet roll is missing, the paper has been rolled straight from the core providing you with more toilet paper and a longer use of the same roll by your guests. The coreless roll fits perfectly in the specially designed PlastiQline Coreless Toilet Roll Dispenser. The dispenser has room for two toilet rolls that are hidden behind the taut-lined and modern design. You can easily get to the rolls via the bottom of the dispenser. Would you like more paper for your money? Then request a quote for the PLASTIQLINE 2020 Coreless Toilet Roll Dispenser.
