### Technical description

Two Brightchem tubings for the Q100/Q200/Q300 dish wash pumps. 1 rinse tube and 1 detergent tube. Brightchem is a co-extruded double strength tube that is super resistant to chemical attack. The inner lining will provide you with a safe system; they will not cause the tube to split and leak chemical. Tube Life High and flow rate Medium. Yearly, you have to replace these tubings.

### Specificaties
