

Hand towel dispenser large SMART-READY

Stainless steel hand towel dispenser large, PTU 31 E ST

Your facilities department will not always be able to keep precise track of stock in highly frequented toilet areas. So a large supply of hand towels would always come in handy. This large hand towel dispenser of SanTRAL is a fine piece of practical design. The wall-mounted stainless steel housing can hold more than 750 folded hand towels and the special anti-fingerprint coating will always ensure a clean and hygienic appearance. The Santral product line has metamorphosed and now features, after further development, numerous new and improved functions resulting in an entirely new concept; SanTRAL® Plus! SanTRAL® Plus can be retrofitted to Smart modules at any time. Connected dispensers transmit their fill levels and usage data to the cloud. You can use a web app to optimise refill cycles and ensure your sanitary facility is always fully filled. The elegant and minimalist design fits perfectly into any sanitary facility thanks to the six modern colour finishes (Steel Touch, Arctic White, Midnight, Copper Rose, Oslo Blue, Slate Grey). Are you interested in this fine piece of practical design? Then request a quote now!
