

Soap dispenser 600 ml SMART-READY

Stainless steel soap dispenser 600 ml, UDU 5 M E/S ST

Do you consider hygiene to be of great value? To you and your guests? Then you may well need a soap dispenser in your sanitary area. This 600 ml SanTRAL stainless steel soap dispenser can easily handle intensive use. The dispenser can be mounted on the wall and is provided with an anti-fingerprint coating. The window makes it easy to quickly check the contents. The push bracket ensures the easy delivery of the liquid. The Santral product line has metamorphosed and now features, after further development, numerous new and improved functions resulting in an entirely new concept; SanTRAL® Plus! SanTRAL® Plus can be retrofitted to Smart modules at any time. Connected dispensers transmit their fill levels and usage data to the cloud. You can use a web app to optimise refill cycles and ensure your sanitary facility is always fully filled. The elegant and minimalist design fits perfectly into any sanitary facility thanks to the six modern colour finishes (Steel Touch, Arctic White, Midnight, Copper Rose, Oslo Blue, Slate Grey).
