

Waste bin open 25 litre SMART-READY

Stainless steel waste bin 25 litre open, OBU 25 E ST

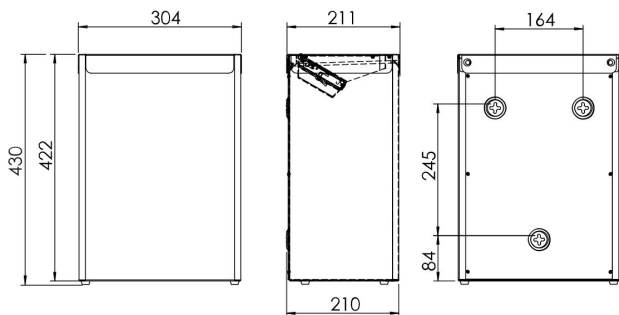

That lying around waste could be stored so stylishly is what this SanTRAL open waste bin with a 25 litre content is all about. The combination of a taut-lined design and sturdy material is what makes this waste bin appealing to design enthusiasts. This open stainless steel waste bin is a regular eye catcher in your interior. The robust look and substantial content, make this waste bin not only a stylish addition to your sanitary area but also a practical one. You can easily deposit the waste in the open space at the top of the bin. The Santral product line has metamorphosed and now features, after further development, numerous new and improved functions resulting in an entirely new concept; SanTRAL® Plus! SanTRAL® Plus can be retrofitted to Smart modules at any time. Connected dispensers transmit their fill levels and usage data to the cloud. You can use a web app to optimise refill cycles and ensure your sanitary facility is always fully filled. The elegant and minimalist design fits perfectly into any sanitary facility thanks to the six modern colour finishes (Steel Touch, Arctic White, Midnight, Copper Rose, Oslo Blue, Slate Grey). Would you like to go for a stylish waste bin? Then request a quote for the SanTRAL 25 Litre Open Waste Bin.
