

Sanitary bin 6 litre SMART-READY

Stainless steel sanitary bin 6 litre, HWU 6 E ST

Discover this practical SanTRAL hygienic bin! Thanks to its 6-litre capacity, this hygienic bin is ideal for smaller spaces. The compactness in combination with the integrated hygienic bag holder ensures that this hygiene bin provides ultimate convenience. Because the hygienic bin can be wall-mounted, the floor can be cleaned properly without the bin getting in the way. Thanks to the anti-fingerprint coating, the hygienic bin always has a clean appearance. The inner ring helps to conceal the waste bag neatly, which improves the overall appearance of the hygienic bin! The Santral product line has metamorphosed and now features, after further development, numerous new and improved functions resulting in an entirely new concept; SanTRAL® Plus! SanTRAL® Plus can be retrofitted to Smart modules at any time. Connected dispensers transmit their fill levels and usage data to the cloud. You can use a web app to optimise refill cycles and ensure your sanitary facility is always fully filled. The elegant and minimalist design fits perfectly into any sanitary facility thanks to the six modern colour finishes (Steel Touch, Arctic White, Midnight, Copper Rose, Oslo Blue, Slate Grey).
