

Smart Nose refill Tonic Fresh

Smart Nose refill Tonic Fresh

With a scent release of approximately 30 days, this refill provides a long-lasting fresh feeling in any space. Compact and effective, it offers a fresh fragrance that not only masks but also absorbs unpleasant odors. Suitable for all small spaces and (hygiene) waste bins, this refill provides a convenient and easy way to combat unwanted odors. Thanks to the absence of spray technology, it leaves no residue behind, making it perfect for a clean and fresh environment. Requiring no power or batteries, this refill is an environmentally friendly choice. Additionally, it can be used with our dispenser (item 98957), making it even easier to maintain a pleasant scent in your space. Experience long-lasting freshness with our SmartNose refill Tonic Fresh!
