

Sanni Bin sanitary bin 18 litre carton board (10 pieces)

Sanni Bin sanitary bin 18 litre carton board (10 pieces)

Introducing the unique lady bin, SanniBin. Made of 100% cardboard (70% recycled material and 30% FSC cardboard) and fully biodegradable. Resistant to moisture and long wearing. This disposable hygiene bin is a wonderful alternative to rental/exchange hygiene bins. The SanniBin hygiene bin offers the following advantages: Lightweight, flat packaging, easy to stock and ship, cost-effective, more hygienic, no service contracts, reduces cross-contamination, decreases service vehicle traffic. Also, very appealing for festivals, etc.
