

Sanitary bag dispenser (paper)

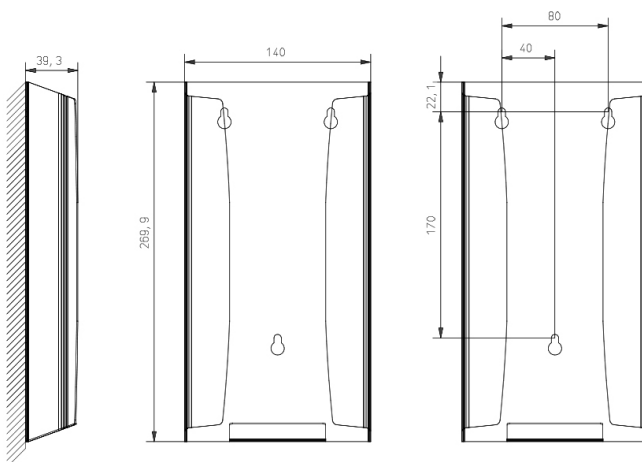

Stainless steel AFP-C sanitary bag dispenser for paper sanitary bags, WIN HBDP SAL

Paper sanitary bag dispenser. Sanitary bin in place, but no way of disposing of sanitary towels discretely. This happens all too often, while there are ready-made solutions available. We offer sanitary bag dispensers in various versions. This version is intended for paper sanitary bags, which are extremely easy to take from the dispenser. The open design enables facilities staff to check levels at a glance and, if necessary, refill the dispenser quickly. And we can also provide the paper sanitary bags. Ask us about our prices.
