

Waste bin 25 litre open

Stainless steel/ABS waste bin 25 litre open, PQXA25

Your guests expect a washroom with a clean and hygienic look. They want a space with no paper or waste on the floor. The PlastiQline Exclusive open waste bin provides you with a practical and stylish solution for all your waste. The open PlastiQline Exclusive bin is recognizable by the black plastic and the exclusive stainless steel plate. This waste bin has a real designer look because of the combination of these different materials. That is why the waste bin catches the eye as a stylish accessory. The stainless steel and black plastic are removable and have a special anti-finger coating. This way the waste bin always looks hygienic, without fingerprints. The oval opening offers enough space for simultaneous use by multiple persons. The waste bin features a handy inner ring and the removable stainless steel front. So it is always easy to change the bag fast. Looking for a simple, yet stylish solution for all your waste? Ask now for the quote.
