

Interfold adapter hand towel dispenser plastic

Interfold adapter for PlastiQline hand towel dispensers, PQIP

The PlastiQline products are very useful. The All Care designers have developed a comprehensive line which the cleaning services have a liking for. A good example is this adaptor plate for the towel dispensers. By simply applying this plastic plate the dispensers are suitable for interfold towels. The shape and size of the dosage opening is figured out in such a way, that it is easy for users to take out one interfold towel. Do you also like to make your towel dispenser suitable for interfold towels? Ask for a quotation of this plastic adaptor plate!
