

Waste bin closed 85 litre

Stainless steel waste bin 85 litre closed, QWBC85 SSL

Fortunately, the average guest likes to leave a clean washroom behind. But what if the bins overflow? Avoid this annoyance and mount large waste bins with a lid. If you are dealing with considerable numbers of guests in your toilets - and with peak times - you need bins with a lot of capacity. This stainless steel Qbic-line waste bin of up to 85 litres of waste suits well. The swing lid is easy to operate and closes the bin after use again. Very hygienic. The handy bin liner allows you to change the garbage bag very quickly. Discover the benefits of this Qbic-line bin with 85 L capacity. Request a quote!
